with the Supply of liver extract to the Supply Dept. of G. of India.

15) It was also agreed to supply the liver extract at the rate of Rs 8-12-0 Per lb But owing to the subsequent rise in the price of raw liver and alcohol, the Dir, Exc. Authorities revised Quotation of Rs 10-12-0 per lb. But this was not accepted by the Supply Dept.

16) The Dir, in anticipation of Govt. approval has permitted the Gen. Manager of the J.J.S to utilise the raw materials for the production of liver extract and has requested approval for the action taken by him.

17) A draft letter conveying the approval of Govt is submitted for Consideration. Submitted for orders.

NM.

21/2/29

The quotation of 8-12-0 per lb of Liver Extract has been accepted by Supply Dept of India Govt. It is now reported that the Govt has given another rate for supply would be 10-12-0 per lb. Since the Govt of India refuse to accept this rate the excess Expenditure incurred will have to be met by J.J.S. in future Govt.

The action of the Dr E+C 2 in having permitted the raw material (purchased at high rate) to the use of

for the normal production of Liver Extract
may be approved. The actual excess is not known

Dated 27th October 1944

No. 1568/I.T.L.

The Secretary to Government,
Development Department,
Bangalore.

Sir,

Re: Liver extract to the Supply Department, Government of India.

I have the honour to state that the Government of India, Supply Department called for tenders for the supply of 39,960 lbs. of liver extract and the Industrial and Testing Laboratory quoted for the supply of 4000 lbs. only, in view of the fact that the existing equipment could produce only this quantity in the short period of 3-4 months and alcohol was not available. They have accepted our quotation of Rs.8-12-0 per lb. for the supply of 4000 lbs. of liver extract, which is to be completed in about 3-4 months time. The rate is satisfactory and will pay the Laboratory. The following raw materials are required for the execution of the order.

| | | |
|---|---|---|
| 1. Raw ox liver 32000 lbs. costing at present rate | .. | Rs.14,000/- |
| 2. Green bottles 1 lb. .. 4000 or 2 lbs. - 2000 | .. | Rs. 1,000/- |
| 3. Absolute alcohol 2000 glns. @ Rs.3/- per gln. | .. | Rs. 6,000/- |
| 4. Rectified 750 glns. @ Rs.2-4-0 per gln. | .. | Rs. 1,700/- |
| (or approx. Rs.23,000/-) | | Rs.22,700/- |

Pol 1368/ Dis 12-44-15-

D. 21st Decr. 1944.

To

The Secy. to the Hon'ble the Resident.

Sir,

I am directed to state that the Govt. Industrial & Testing Laboratory have agreed to supply 40000 lbs of liver extract required by the Supply Dept., Govt. of India and 32,000 lbs of raw ox liver alleged to be required for the preparation of the extract. The Dir. G.T.E.I. states that local Contractors have been continuously raising the rates in view of increased demand for "military purposes" and that if enquiries for such a large quantities as nearly 15 tons of liver are sent out

the purchase being spread over a period of 3-4 months, ~~there is~~ it is likely to result in a sudden rise in price.

As all the livers is to be purchased from the slaughter houses in the C. & M. Station, B'lore, and as the extract is required to be supplied to the Govt. of India within 3 to 4 months, I am to request you to be so good as to address the Collector, C & M. Station, B'lore to help the Laboratory to obtain the required quantity of raw ~~of~~ livers at reasonable rates.

From The Secretary to the Hon'ble the Resident in Mysore.
To The Secretary to the Government of His Highness the Maharaja of Mysore, Development Department, Bangalore.

Dated Bangalore, the 16 Jany. 1945.

SUPPLY OF RAW OX LIVER.

Sir,

I am directed to refer to your letter No.Pol.1368/I&C.17-44-15, dated the 21st December 1944, The President, Municipal Commission, Civil and Military Station, Bangalore, intimates that the contractors who purchase the offal from the slaughter houses in the Station for sale to the public have agreed to sell the entire quantity of ox liver to the Government Industrial and Testing Laboratory, Bangalore, at As. 4 per lb. and that they may be able to supply, on an average, about 250 lbs. of ox liver per day for five days in the week. The Laboratory authorities should make arrangements to collect the liver from the slaughter houses. I am to request that they may be instructed to get into touch with the Health Officer, Station Municipality, who will make necessary arrangements on hearing from them.

I have the honour to be,
Sir,
Your most obedient servant,

SECRETARY TO THE RESIDENT.

GOVT OF V.O. 12 FEB. 1945

Sir,

Reference: Liver Extract to the Department of Supply, Government of India.

4162

With reference to Government Order No.D.4098-9 I.&.C. 17-14-14-dated 21st December 1944, approving of the action taken by me in permitting the General Manager, Government Industrial and Testing Laboratory to purchase raw materials like raw liver, alcohol, etc. costing Rs.23,000/- in connection with the supply of liver extract to the Department of Supply, Government of India, I have the honour to state that the Laboratory was obliged to submit a revised quotation of Rs.10-12-0 as against the original accepted rate of Rs.8-12-0 per lb. of liver extract owing to the subsequent rise in the price of raw liver and alcohol and also to an arithmetical error in the working of the cost estimates. The Department of Supply have now replied

stating that the revised quotation has not been accepted and in the circumstances, the General Manager states that the absolute alcohol and rectified spirits already purchased will be made use of for the normal production of liver extract. I have permitted the General Manager in anticipation of approval of Government to utilise the above raw materials for the normal production of liver extract in the Laboratory.

I have the honour to be,
Sir,
Your most obedient Servant,

Director,
Engg. and Chemical Industries i/c
